

DO YOU HAVE SOMETHING TO HIDE?

Why use DekoRRa Rock Enclosures?

- » RealRock™ material perfectly simulates the look and feel of natural stone
- » Colour and texture are a part of the material, not painted on
- » Lightweight and completely hollow
- » Incredibly durable- will not fade in the sun or crack in the cold
- » Heavy-duty ground stakes hold rock perfectly in place
- » Constructed of recyclable materials and are recyclable themselves!

Easily conceal just about anything!

- » Septic Lids & External Panels
- » Well Heads
- » Transformers/ Cable Boxes
- » Pool Filter & Pump Equipment
- » Outdoor Electrical
- » External Water Pumps
- » Backflow Assemblies
- » Pressure Tanks up to 60" tall!
