WORRY-FREE WARRANTY

Proudly standing behind our products since 1995

- concrete, polyethylene, and fibreglass tanks
- coco and peat filters
- components and replacement parts*
- labour

* Three years for pumping components and labour, if applicable.

ANNUAL MAINTENANCE

We have a province-wide network of partners, annually trained by us to maximize the life of your filtering medium and to protect your investment in your septic system.

- 15-point inspection
- filter aeration to promote healthy bacterial activity
- filter scarification to ensure optimal biofiltration

GUARANTEED FILTER PERFORMANCE

By having the filtering medium in your Ecoflo biofilter replaced after 10 to 15 years, you guarantee your system always protects your property and the environment.

- no excavation required
- no damage to your landscaping
- used filters are 100% compostable
(unlike petroleum-based filtering media)
